Editor's Message
By Axel K. Olsen

I hope you are enjoying this new format as much as I. It is great having the flexibility to format each issue without the constraints of the printed version.

You will note that we have a couple pictures from the February and March Membership Meetings. We had great crowds at both!

One final reminder of the charity event at Davis-Monthan AFB, the DM50 car show and picnic. This is a great opportunity to both see some great cars and also support a great cause – our young troops at the base.

This issue highlights all the activities planned for the Cinco de Mayo weekend. The festivities kick off with the autocross on May 1st at the Musselman Honda Circuit and then continue with the warm up party at The Dakota Bar and Grill on Friday evening May 6th. The Concours and Awards Dinner will again be at the Tucson Country Club. All the events are described in detail in this issue of the *Driver's Seat*.

February Membership Meeting

Photo by Barb Crowley

There was a fantastic turnout for this meeting. Our guest speaker was Jim Cantrell, CEO of Vintage Exotics Engineering. He spoke about his passion for racing, his racing career, and building race cars. He owns four Porsche race cars as well as a Mark Donahue Lola.

March Membership Meeting

Photo by Garry Morris

It was a rowdy monthly meeting at a new venue ... El Molinito's on North Oracle. Everyone enjoyed the meal, the conversation, the charity raffle. We also enjoyed the quiz prepared by Larry Rogovein. The challenge? Who could name the most photos of U. S. Presidents? The winner of the quiz was Darlene Fouts.

**Parker Canyon Lake
Drive and Hike (and picnic)
By Kurt Fuerstenau**

This "Drive and Hike" event will be held Saturday, April 2, 2016. Our destination will be Parker Canyon Lake, a beautiful 130-acre lake located in southeastern Arizona.

In 1966, the Arizona Game and Fish Department completed the earthen dam at the confluence of Parker Canyon, Collins Canyon, and Merritt Canyon in the beautiful rolling Canelo Hills southeast of Sonoita and six miles north of the Mexico border. The result is the largest lake in the Coronado National Forest.

Please meet at the intersection of Sahuarita Road and State Highway 83 at 9:00 a.m. to sign waivers and have our drivers' meeting. Departure will be at 9:15. About 30 minutes after departure, we will stop for a bathroom break.

Please bring your own lunch to have an enjoyable picnic at the Parker Canyon Lake.

Bring everything you will want for lunch including plates, utensils, napkins, food, drinks, and chairs etc. See you there!

Willkommen, Bonjour, Glad to Meet You

By Kathleen Kendler – Membership Chair

Since March 1, 2016 we have two new members. SAR welcomes each of you. I will provide some brief information.

Arch & Laura Brown recently joined PCA and SAR. They have a 911 Platinum Silver Metallic Carrera. They indicate interests in Concours/Car shows and Driver Education. I hope to see you at Cinco and the upcoming autocross.

Charles & Patricia Gajda are also new members to PCA and our region. Their interests are: Autocross, Concours/Car shows, Social, Driver Education, Technical, and Rallying/touring.

Did you know our autocross is not a typical parking lot autocross? We run ours Driver Education style which means continuous lapping.

Again, I welcome each of you. I look forward to meeting them at a general meeting or event. I hope you have a great time with our group.

CHARITY NEWS

By Darlene Fouts – Charity Chair

It's spring! ... and we wake up to the new possibilities ahead of us. We are currently working hard to support two of our charities, Arts Express www.arts-express.org and the Tucson Arthritis Support League (TASL) www.taslaz.org Both of these charities provide scholarships to students in need. We applaud the superb efforts of these charities and would really appreciate any help you can give. These charities do great work, part of which is providing scholarships to students in need. Our Cinco de Mayo celebration is our main fund-raiser for these charities. We are currently in need of volunteers to help prepare and staff the booth at the Cinco Concours on May 7 at the beautiful Tucson Country Club. Please see my contact information below to sign up to be a volunteer or donate. This has to be a group effort if it is to be a success.

A new and exciting silent auction item that will be offered at this year's Cinco will be a personalized piece of art by Rick Harrington, a local photographer. If you win the bid for this art, he will create a beautiful abstract art print of your car. Samples of his work will be available during the Cinco Concours. Don't forget to check the silent auction table for this fun, whimsical way to view your car!

We also will be offering a Gift Certificate to Musselman's race track for a day at the go-kart track valued at \$360. It is good for one party of six for two races. It can be upgraded for additional drivers or fun events such as birthday parties. This is a great deal! This certificate will be offered as a silent auction item at the Cinco Concours on May 7.

Contact me: As always, if you have any items to donate, please phone me at 520-299-7224 or email me at charity@pcasar.com If you know of a merchant or restaurant that would be willing to donate gift cards or items, it would be very helpful if you could make that happen. Let vendors know that their business will benefit by being acknowledged in our *Zuffenhausen News* newsletter, in *The Driver's Seat*, on the Cinco Sponsor Board, and on our great new website. I need to receive all donations by April 27.

Our club is comprised of very generous folks as was shown during the holidays for our Holiday Food Basket drive. Let's continue that trend and really support all the young people benefited by TASL and Arts Express, two very worthwhile local charities. Thank you very much for all your help.

For more information on all of our charitable activities, go to our SAR website and click on "Club Activities."

Join in the fun that is SAR's 2016 Cinco de Mayo!

IT'S TIME FOR CINCO DE MAYO!

By Ryan Volin and Barb Crowley – Cinco Co-chairs

Our annual Cinco de Mayo event begins with a Zone 8 Autocross on May 1 at Musselman Honda Circuit. The Concours weekend falls on May 6-7. This is later than in past years, and because May 8th is Mother's Day, it was decided that there wouldn't be a Sunday Cinco Tour. The schedule/flyer for SAR's 2016 Cinco de Mayo event may be found in this issue. Even more details are on our SAR website. Just go to the top of the homepage and click on <http://pcasar.com/driving/2016-cinco-de-mayo/> You will note that there are many similarities with last year's event. But there are differences too. Returning this year are charity activities to benefit the Tucson Arthritis Support League (TASL) and Arts Express. Bring some cash or checks!

We also wanted this event to have a more casual and fun atmosphere. We'll have some games to play during the concours day. In addition, the evening awards and dinner will be held outside "Under the Stars" on the beautiful grounds of Tucson Country Club. No need for a sports coat or tie ... comfortable and casual is in order on Saturday evening.

Registration is already open at <http://pcasar.motorsportreg.com/> **The deadline for every Cinco activity starting with the autocross to the Cinco golf and the awards dinner, is 6 p.m. MST on Sunday, April 24.** Please remember also to register by this deadline for the Welcome Reception hosted by Porsche of Tucson. The great staff at the Dakota Bar and Grill need to know how many guests to expect. . (Think about it, would you just 'show up' to a party without an RSVP?) We also need to have an RSVP on motorsportreg.com if you plan to buy lunch at the concours (cash only.)

Get 'er clean for Cinco's Concours Day! This hobby of preparing our cars for a "concours" can actually be a relaxing experience; it can transport us back to a simpler time, and caring for our car in this way can remind us about how privileged we are to own and drive a car as special as a Porsche. Those of us who have done this for years, have come to realize that from the suggestions given by the judges, we get better at prepping each year. Of course the car benefits and will hold its value better than cars that have not had this attention to detail. If you haven't had your Porsche judged in a while, it's time. If you just want to "Park and Party" in one of the Display Classes, that's fine too. At least you will be a participant instead of an observer.

We have a lot of 'newer' members out there. If you've never had your car judged at a concours, we encourage you to do so. Judges don't bite ... and SAR's Cinco de Mayo Concours judges have a reputation of being more helpful than critical. We want your experience to be positive and enjoyable. Most of all, we want you to participate. If you don't understand the Zone 8 Rules, what class to enter, what areas to prep, or what the judges are looking for (can you say "dirt?"), email Barb Crowley at social@pcasar and we will get you in touch with a mentor to give you guidance.

Whether you enter a Cinco de Mayo social activity, driving event, the concours, or both ... participating in Cinco is more than getting fast times at the track or making your ride shine ... it's about making memories and enjoying friends with similar interests. It's about our shared passion for Porsches.

Cinco de Mayo Autocross

Come join Zone 8's 2015 Region of the Year!

This Zone 8 Autocross starts our SAR's Cinco de Mayo celebration on **Sunday, May 1**. Plenty of time to drive the car on the track and then clean it up a bit to show in the Race/Track Car Display Division at the Concours on May 7. Whether you are a seasoned driver or a novice, this is a great event. Or just come out to check out what an autocross is like. The 2016 Cinco de Mayo Enthusiast Award

By Jim Kendler - Lifetime Member

It is time to start preparing for the 2016 Cinco de Mayo Enthusiast Contest taking place 1 - 7 May 2016. The purpose of the Award is to promote individual club member participation in the two main Cinco de Mayo events (Concours & Autocross). The point distribution ensures that the winner will have to participate in both events and encourages event volunteerism. The rules are:

1. You must be a PCA-SAR member.
2. You must enter a Porsche in a judged Concours Class (Wash and Shine or higher) and/or Autocross.
3. You may enter more than one Porsche. Concours score will be from the car with the highest total points or vehicle designate by participant.
4. Volunteer Bonus Participation Points (Autocross/Concours/Golf) will be awarded by the SAR President.
5. Autocross Scores will be determined by the Cinco de Mayo Autocross Chair and Logistic Coordinator.
6. The Award will be presented at the June General membership meeting.
7. Cinco de Mayo Chair has final interpretation of rules and or scoring.
8. SCORING WILL BE DETERMINED FROM THE TABLE BELOW:

Event	Total Possible Points
Autocross Participation (1 May)	50 Points
Concours/Exterior & Interior Score Only (7 May)	130 Points
Cinco Volunteer	15 Points
Bonus for the same Porsche in Concours & Autocross	5 Points
Total Possible Points	200 Points

All PCA-SAR members will be automatically entered by registering for the Concours and Autocross. Final scoring will not take place until after the Concours and Autocross are completed and results are posted on the PCA-SAR website and or Facebook page. Score sheets will be reviewed at the May board meeting prior to award announcement at the June Membership Meeting. Winners will be awarded a PCA-SAR gift certificate for a future event.

It is not too early to start improving your autocross skills or to begin cleaning your Porsche for the concours. So remember register yourself and your favorite Porsche in the 2016 Cinco Autocross and Concours d'Elegance. If you have any questions about the contest, feel free to contact me by email kjkendler@comcast.net.
