President's Corner

By Lee Cuevas – SAR President

This year is amazing. I thought that being the Prez was going to be boring this year, but when you're also the "Cinco Kid," there are never enough hours in the day. As you can tell by the short articles in this issue, there is a lot to do. I'd like to see us have 60 Porsches at Cinco. Fifty Porsches at Tubac is OK, but Cinco is *our* show. All it takes is to point the hose at your horse, put a little soap on, rinse it off, then some drying and you're down the road to Trail Dust Town. We've reduced the prices in hopes more partners will enter. On concours morning, Steve, SAR member and owner of the Dakota Cafe, will be providing members with some nice mornin' vittles – continental-style. I'd like to give a great big "THANK YA'LL" to our Cinco volunteer sod busters, they're doing a bang up job corralling all

the sponsors and such that make this endeavor such a great show. Find your Cinco information in this issue.

I remember my first Cinco, I was totally lost. So here's a suggestion ... latch on to one of our members ... you will feel a lot more comfortable. And who knows, you might have a new friend for life. Well, it's time to start getting ready for the Concours again. Time to search for my polishing pads and waxes!

If you want to know the rules for the Concours or the Autocross, go to this website: <http://www.zone8.org/assets/docs/2014/2014Z8Rules.pdf> Knowing the rules makes sure that you don't get any surprises when showing or driving your car. If you have any questions send an email to: pcasboard@gmail.com.

We have excellent contributions again this month with lots of information about the upcoming Cinco de Mayo events.

This is the 33rd year that SAR has held its Zone 8 Cinco de Mayo event. We were the first to make it a weekend event that included a welcome reception and awards banquet. We later added an autocross to the event, then made it our major charity event ... and in the past few years added a Sunday tour! There's something for everyone to enjoy.

I hope you find the changes we are making to the *Zuffenhausen News* to your liking. It is our attempt to bring our newsletter up to date with similar newsletters and some of the styling cues from *Porsche Panorama*.

I am using a new desktop publishing program to facilitate the production of the newsletter, and as with any such change, there is a learning curve. I feel like I am at the bottom looking up at the curve!

After seeing the printed copy of the March Newsletter, there are some issues I need to fix related to the sharpness of some of the photos and graphics. I ask that our readers and advertisers have patience as we work through these issues.

It is great to see so much interest and participation in our club activities – and I appreciate all the pictures and articles you send in to the *Zuffenhausen News*.

Willkommen

By Tom Sherman – SAR Membership Chair

After a great start for 2004, membership has slowed down a bit. While we welcomed no new members during the last month, the next 30 days look very promising. Our club membership now is at 238, while on February 28, National PCA membership assigned to our region was 286 (with 6 club “members” missing their PCA renewal)! As we go to press, National PCA membership is 291. Reaching 300 is within sight!

Porsche Chili Contest

Photos and Article By Gary Ottaviano – Southeast Area Liaison

On February 22, the Sierra Vista Porsche Chili Eaters Society met at Casa de Faulkner to have our annual Chili Cook-off. We had 22 brave, starving bellies to fill. Of the tasters, eight were also competing chefs. We were able to draft (read that as – “pressed into service”) two visiting friends from Ohio to act as servers. This allowed the rest of us to concentrate on the job at hand ... tasting chili! Phil Sloss read our Chili Report from last year’s contest to the delight of everyone. Our usual report reader, Dave Cook, was detained by duties in Korea. Rumor has it that he was eating spicy Korean food trying to harden his intestines for our *really* HOT chili. Perhaps he was having such a good time, that he decided to stay a few extra days or he wimped out trying to avoid our chili. Bill Guinn was also absent because he was driving his Porsche around in circles at a DE in Deming, NM. Gary Ottaviano took first place. Lisa Sloss and Larry Rogovein tied for second.

We want to thank Ron & Shirley Faulkner for sacrificing their beautiful home. Thanks also to Jim and Ellen Ackerman for lending us the tables and chairs to do the demolition job.

Everyone enjoyed the company and the chili!

Bondurant Driving School Raffle **By Connie Sherman, Charity Chair**

Once again this year, we thank the Bondurant School of High Performance Driving for providing a certificate for one of their great classes. Our prior winners are still raving about their experience at the Bondurant track. This year we are raffling a 5-hour Performance Driving Challenge course valued at \$499. This program will put you through your paces! The Program starts with an exciting track session following behind a professional racing instructor on the Bondurant road course. It also features timed autocross, on-track driving, and Pro Kart Enduro.

Raffle tickets are \$5 each or five for \$20. They are available at most of our Club events. Get them at the April and May general meetings, at all the Cinco weekend events, and the Cinco Autocross on May 17 when the winning ticket will be drawn. The certificate may be applied towards other driving experiences offered by the school. The proceeds of the raffle will go to our Cinco Charities, Arts Express and TASL.

Don't miss out on a chance to win this great experience. Buy your raffle tickets NOW!!

CINCO DE MAYO CHARITY EVENT **By Connie Sherman, Charity Chair**

The annual Cinco de Mayo weekend festivities will once again hold a silent auction and raffle on May 3, during our Concours d'Elegance to benefit our local charities, Arts Express and the Tucson Arthritis Support League (TASL). Last year we had over \$5,000 to contribute to these worthy organizations.

The PCA-SAR membership has always been generous with their donations to these worthy causes. We hope that you are able to offer significant items for auction such as restaurant meals, gift certificates, car products/services or baskets filled with various goodies. If you have businesses you frequent on a regular basis, ask them if they would like to contribute to our event. Any smaller items we receive, we will put together in baskets to make a "theme" basket. No donation is too small!

If you have something you'd like to contribute, or if you have any questions, you can e-mail me, Connie Sherman at connieinaz@earthlink.net or call me at (520) 818-7842. I will follow up by phone, or at the next meeting, to confirm/collect your donation.

PCA SAR Adopt-a-Roadway (AAR) Event By Mark Fuller – Community Service Chair

Our Club's semiannual Adopt-a-Roadway community service event will take place on April 12. We invite you to participate in this worthwhile and fun event. We will gather at 8 a.m. at Beyond Bread on the Southwest corner of Ina and Oracle Road for coffee and a wide variety of pastry and baked goods provided by the Club before undertaking the task at hand. After a safety briefing and signing of waiver forms, we will head to the activity site. There is a paved and marked parking lot nearby for us to use, so it is definitely Porsche-friendly. The Arizona Department of Transportation requires that we wear hard-soled shoes (no sandals) and comfortable clothing. Gloves and hats are recommended. We will provide cold water and the safety vests along with bags to undertake the effort. We will divide into two groups that will head along either side of our section of roadway on Orange Grove Road between Oracle and First Avenue ... gathering litter along on our route. As we work our way along the road, it is always fun and interesting to listen to Club members telling stories of previous cleanups. It's

also a great way to find out more about fellow members and upcoming Club events. Along with our usual great supporters, we look forward to having new Club members join the group.

As always, our goal is to help make our community look better. The nationwide effort of sponsorship for the Adopt-a-Roadway program provides the Department of Transportation with an extra resource for keeping our highways looking presentable. The task is not arduous and we should be finished by 10 a.m., and possibly earlier if we have a good turnout. For those members who have not participated in the Adopt-a-Roadway cleanup, I highly recommend it as an excellent community service event, great camaraderie and another excellent opportunity to get together with friends and our special cars. For those of you who are faithful supporters – we need you to continue to help make this a great Club event. *See you there.*

Over 20 Porsches drove from Tucson and met several of our Sierra Vista members for a tour of the caverns.

We had two groups with a dedicated docent for each group. We learned about the discovery of the caverns in 1974 by Gary Tenen and Randy Tufts. They explored the cave system and kept it secret until February 1978 when they told James and Lois Kartchner of their remarkable discovery. We learned about the amazing series of events and meetings that culminated in the acquisition by the state on September 16, 1988.

You can read more about these efforts to keep the caverns as a protected treasure for generations to come on the Kartchner Caverns website. <http://azstateparks.com/parks/kaca/history.html>

Many of us then went to Angelika's German Market and Deli where we enjoyed more social time and authentic German meals.

All in all, an excellent day of discovery and camaraderie.

This here's a posse call ...

By Sheriff Cuevas

We got us a peck a trouble out west of here and we need to get some folks together to go check the sitch-e-ation out. Seems to be a mess of lawlessness over in the Avra Valley. Gunfightin', cattlemen and sheep herders fuedin', saloon girls roamin' the streets (well I didn't say it was all bad !)

What this actually is, for you city slickers, is the Cinco de Mayo tour, and here's the deal ...

We meet-up Sunday mornin' May 4, on Ina Road just west of I-10 (exact spot TBD). Were gonna make it easy on y'all, so instead of daybreak, we's hookin' up at 9:00 in the mornin' to sign waivers, pass out cartridges, wanted posters (also known as maps) and such. At 9:30 we high tail it over Picture Rock Road out through cactus land (Saguaro Monument West) to what folks today is callin' "Old" Tucson.

We gonna spend us some time surveyin' the town, gettin' some vittles and watchin' the various skally-wags hash out their differences. The General Store will be open for business iffing you need supplies for the road home.

Once we got all the scores settled, we mount up and head back to town over old Tom Gates' cut road – aka Gates Pass – and go our separate ways 'til the next dust-up. Stay tuned to the PCS-SAR website, Facebook page and Motorsportsreg.com for more details and to sign up.

Y'all come now – hear!

Our 2014 Cinco de Mayo Autocross By Rink Reinking – Lifetime Member

This is a fun, competitive event with an everyday educational benefit.

Our May 17 Zone 8 Cinco de Mayo Autocross will be held at Central Arizona College located near Casa Grande, AZ. The track was built for police training, but we get to use the facility for our autocrosses! It is 0.75 miles long and has plenty of challenging corners that will still be there the next time you attend. Instructors will be assigned to all novice students. For more information about the track visit <http://pcasar.biz/driving/cac.htm>. There you will find driving directions to get you to the site, an aerial view, a cool video by Greg Robertson and more.

You will have multiple practice sessions and all novice drivers will have an instructor assigned to help you find your way around the track. This is a very good way to get involved in SAR driving events.

Consider that the skills you acquire in handling your car and the newfound awareness of your car's capabilities may someday help you in emergency maneuvers on the street. Cars are divided into run groups according to driver skill level and their speed potential. Each driver can use the practice sessions to work on improving their skills while having lots of fun. Timed laps will be done in the afternoon. The timed runs will give you a target time for your next visit and earn you a place on the results list. Who knows, you might even win one of the unique Cinco trophies! Register before April 15, by visiting pcasar.motorsportreg.com

If you don't want to drive but want to help, we can use you. There are several jobs that you can do to help out: registration, assistance at tech, track setup and breakdown, help in the pit area, flagging, and communication. Contact our driving event chairman, Mickey Dowling mdowling4@cox.net, to secure a spot on the team.

This will be your last chance to purchase raffle tickets for the Bob Bondurant School. The drawing will take place at this autocross event. Ed.
