President's Corner
Article and Photos By Lee Cuevas
– SAR President

Having just returned from a visit to the nation's capital, Washington, D.C., I have some new insight into what this country stands for. I'm still in awe of the magnificent structures built to honor those who gave so much to see this country given a chance to survive. From the Washington Monument to the Vietnam Memorial, one basic theme is enshrined ... that freedom is not free. Those who gave their all have the final say in this great city.

From the top of the Washington Monument, and its eastward facing aluminum cap inscribed with the words "Laus Deo," (praise be to God) ... to the Lincoln

Memorial Gettysburg Address ... there is no greater evidence that this nation was created under God.

As I walked the routes around the many monuments, it warmed my heart to see parents explaining to their children what was here. Even on a Wednesday, there was a line of visitors walking through the Vietnam Memorial, signifying that those who died there would not and are not forgotten. The designers and builders of Washington, D.C. have indeed created something that is awe inspiring. So as we enjoy our Fourth of July weekend, with our hot dogs, hamburgers and BBQ, and talk about our fine Porsches, let us pause to remember how we got here and dream about where we are going. Happy 4th of July!

ANNOUNCEMENT
Change in Membership Year
By Larry Rogovein – SAR Treasurer

As Lee mentioned in the March issue of the ZN, the Board voted to change the membership year from a fiscal basis (August 1 to July 31) to a calendar basis (January 1 to December 31). As a result, members who renew this June will be billed \$25.50. This equates to \$7.50 for August through December of

2015 *plus* our regular dues of \$18.00 a year for January to December of 2016. Starting in January 2017, all members will then be on a calendar basis.

For those members who have paid for multiple years in advance, your memberships will be extended to December of the last year for which you paid; just an added bonus for paying your dues in advance. If you have any questions concerning your membership status, please contact Tom Sherman, our SAR Membership Chair, or Larry Rogovein, our Treasurer.

Welcome to the July issue of the *Zuffenhausen News*.

I would like to point out that we are keeping our website calendar updated as our official means of notification for events of interest to the Club. Remember to visit the website frequently to find out the latest news and information on upcoming events.

<http://www.pcasar.com>

Also in this issue, we have some great photos by Garry Morris from the June Membership meeting at the Dakota Café. The picture of Lee Cuevas and me laughing was due to the Cinco de Mayo Enthusiast Award which Lee won this year – as he had last year. He beat out Greg Robertson because Lee participated in the Golf outing and Greg did not. There was a suggestion from the audience that perhaps there should be a drag race between them. At least that way the winner would be decided by something related to Porsche cars!

I want to thank Ron Faulkner for his article and photographs of the Sierra Vista group tour to Colossal Cave followed by lunch at Hot Rods Old Vail. It looks like it was a fun day.

July is a quiet month with the only PCA-SAR event being the membership meeting combined with the 4th of July Party at the Dakota Café – the details are found on page 13. Please remember to RSVP to the evite and let us know what dish you are planning to bring.

But, fasten your seatbelts for August and beyond. We get into full Porsche enjoyment mode with both PCA-SAR and PCA events starting on August 1st with breakfast at Café a La C'ART followed by a tour of the Tucson Museum of Art. You will find announcements throughout this issue of all the upcoming events.

I hope you all have a safe and happy 4th of July celebration.

Colossal Cave Tour

Article and Photos By Ron Faulkner

On May 30, a seven car Porsche convoy consisting of thirteen Southeast Area SAR members and associates from Sierra Vista, caravanned through the scenic Sonoita area. Destination? Colossal Cave Mountain Park ... located east of Tucson.

Archeological data reveals that the cave has served native Indians, outlaws, miners, ranchers, tourists, spelunkers, cavers (yes, there is difference), adventurers, animals, and yes ... Porsche enthusiasts ... for well over a millennium. The Cave is listed in the National Register of Historic Places and has also served as a location for TV programs as well as a movie site for Disney and other production companies. Audrey Hepburn and Robert Wagner were two cinema stars who filmed there. The cave is now considered a "dry cave" and provides a winding, beautiful experience under the earth's surface.

The cave was a major Civilian Conservation Corps project from 1934 - 1938. In the 1960s, the Federal Civil Defense Department designated the cave a fallout shelter for Pima County and City of Tucson government officials.

Following the 45 minute cave tour, and after taking in the panoramic views from the ramada entrance to the cave, the Porschites (that's us) drove the narrow road down the mountain en route to lunch. Our next stop was Hotrods Old Vail where two future Porsche owners joined us.

The car oriented atmosphere of this Vail restaurant coexists with a working automotive garage. Hotrods Old Vail served as the perfect place to relax, socialize and enjoy some great American food while being surrounded by racing memorabilia. Large windows allowed views of the pristine maintenance area below that is filled with cars, trucks, cycles and the supporting infrastructure. We did not see a Porsche on the garage floor, which, I rationalized, was a credit to this well designed line of vehicles. After our tour and meal, we all went our separate ways home. Special thanks to Southeast Area Liaison, Gary Ottaviano, for organizing another fun-filled, educational and total driving experience.

I look forward to a very busy summer. This first day of summer is also opening day for this year's Porsche Parade, which will be followed by the PCA Werks Reunion and PCA Corral at the raceway during Monterey Histories Week in August. And ... speaking of Monterey ... fall will be ushered in by Rennsport Reunion and the PCA Escape.

Speaking of the **Corral at the Motorsport Reunion** on August 15 & 16, registration is now open. You can obtain your corral tickets here: <http://pca.motorsportreg.com> Porsches only, please! The corral only holds 150 cars, so don't delay! Sign up today.

Start out your morning with a scrumptious breakfast at Café a la C'Art ... a charming, family owned "museum café." cafealacarttucson.com The café is located in the Hiram Stevens house, an old historic adobe home built in the 1860s.

After breakfast, we have planned a tour of the Tucson Museum of Art. The Museum is a few steps away from the café. Some of the exhibitions we will see include: Welcome to the American West, Horses of the West, Of Earth and Sand: Ceramics and Glass Works, La Vida Fantástica – Latin American Folk Art, and The WPA Connection. Porsche Rennsport Reunion V September 25-27th, 2015 – Mazda Raceway Laguna Seca

Rennsport Reunion is the world's largest gathering of Porsche racecars, renowned drivers, and Porsche collector cars.

This September the event returns to the historic and picturesque Mazda Raceway Laguna Seca for an encore. Hosted by Porsche Cars North America, Rennsport Reunion V once again brings together an extraordinary gathering of significant Porsche vintage and current racecars, as well as the motorsports figures who have designed, engineered, and driven them to victory in the world's most famous sports car races.

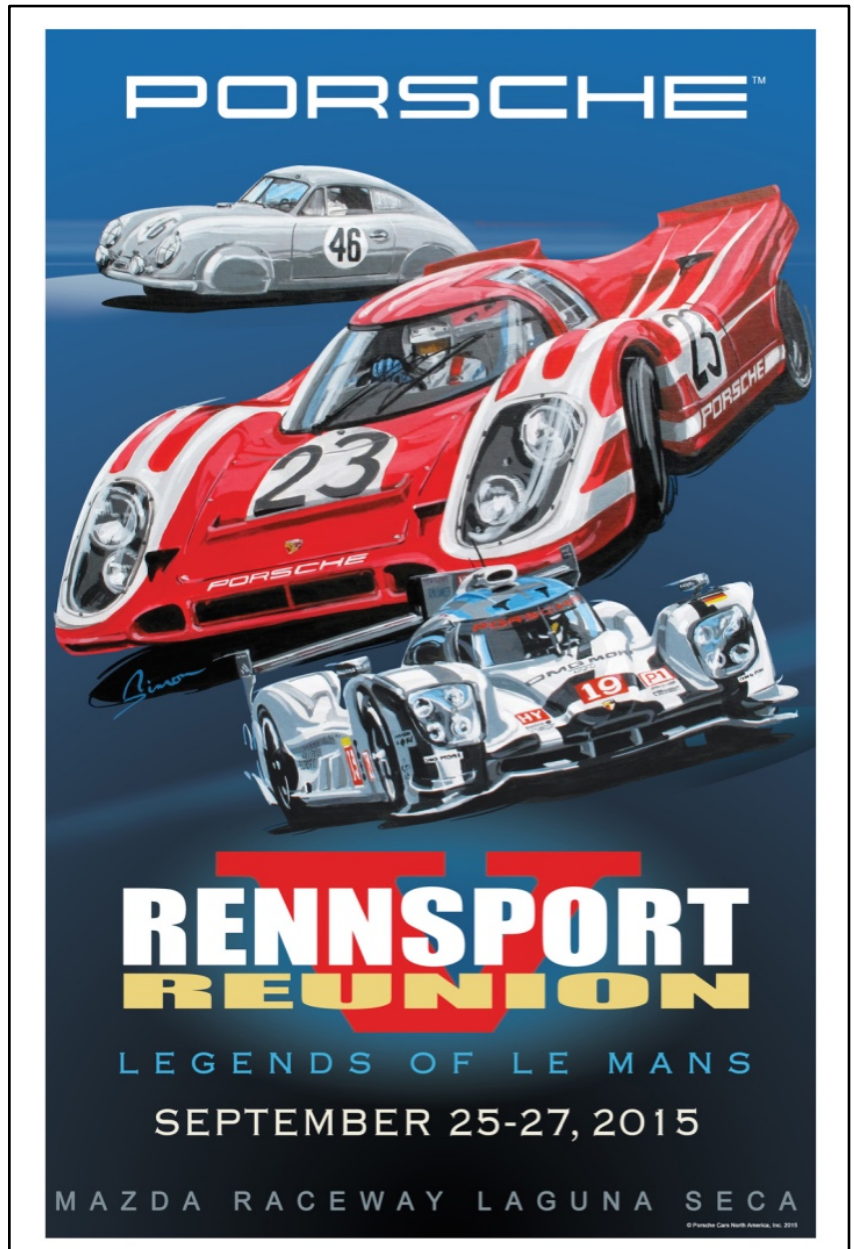

After staging the first three Rennsport Reunion events on the East Coast, at Connecticut's Lime Rock Park and the Daytona International Speedway, Rennsport Reunion IV moved west in 2011 to Laguna Seca, offering a vast array of West Coast car aficionados and Porsche enthusiasts a the opportunity to drive and/or trailer their Porsche vehicles to the event.

The three-day program of on-track competition will evoke history, giving attendees the opportunity to see and hear classic Porsche competition cars in full song, at near-racing speeds, on a fabled racecourse. Visitors will also be able to examine these fabled racecars up close and personal, mingle with drivers and other enthusiasts, and drink in the atmosphere of Porsche enthusiasm.

The racecars at speed will be complemented by a full European-style Porsche Concours d'Elegance (Contest of Elegance) event, open to invited race participants, as well as special activities celebrating each of the six decades of legendary Porsche racecars.

Hundreds of Porsche owners will also display their own significant Porsche vehicles, drawn from all eras of Porsche production.
