## President's Corner

By Lee Cuevas – SAR President

September is here already. I was just getting used to the heat of August. Big change this year, our Charity Autocross doesn't start until October. That gives us one more month to get ready. This is when I usually have Dave Radmacher give my car a complete check-up and oil change. Making sure your car is ready for this next years' races keeps you and your car safe. The Las Vegas Region's DE at Spring Mountain is on September 12-13. It's a chance to check out venues outside our region. If you're new to autocross, it also might be a good idea to track down a copy of Ross Bentley's "Speed Secrets." In it you will find some hints to what racing is about. You will even pick-up on terms like apex, drag breaking, and increasing/decreasing radius turns. Check out our website for more information about autocrossing.

The autocrosses are not our only driving events in the future. We also have the Drive Your 356 Day, and a welcome reception and concours at AZ Region's Flight event.

Speaking of upcoming events, our first PARTY event this fall is Oktoberfest on the 10<sup>th</sup> of October. Look for an Evite and further information on the website and this issue of the ZN. We need you to RSVP so we'll know how many brats to buy!

We have the club elections coming up. We are in need of a new Board Member at Large to replace a retiring member. We are also seeking nominations for VP and Secretary, You don't have to be a board member to attend the club's business meetings. I'd like to invite all the club members to the meetings, but that might be a little unwieldy. A few at a time would be perfect. By the way, check out Angie's article on the Eggs and Art breakfast and museum tour. It is quite good. See you next month.

## Willkommen

By Tom Sherman – SAR Membership Chair

After seven consecutive months of new SAR Members, we enter September with considerable potential. Several individuals have expressed interest in SAR membership. Stay tuned!

As of August 26, SAR membership is 221 households, while our Region PCA membership is 282.

## Announcement Change in Membership Year

As Lee mentioned in the March issue of the ZN, the Board voted to change the membership year from a fiscal basis (August 1 to July 31) to a calendar basis (January 1 to December 31). As a result, members who renew this June will be billed \$25.50. This equates to \$7.50 for August through December of 2015 *plus* our regular dues of \$18.00 a year for

January to December of 2016. Starting in January 2017, all members will then be on a calendar basis.

For those members who have paid for multiple years in advance, your memberships will be extended to December of the last year for which you paid; just an added bonus for paying your dues in advance. If you have any questions concerning your membership status, please contact Tom Sherman, our SAR Membership Chairman, or Larry Rogovein, our Treasurer.

## Editor's Message

By Axel Olsen

It's back to school time. My first clue was receiving pictures of our grandchildren with their first day back-to-school smiles. We look forward to the return of fall weather with thoughts of pleasant days and cool evenings ... time to open the sunroofs, Targa tops and cabriolets.

We have many upcoming events detailed in this issue of the newsletter and listed on the SAR website calendar. Be sure to stay up to date with all the happenings. Be sure to register or RSVP when you see something of interest.

As always, we appreciate the stories and photos about your adventures – be they local or abroad. Let us know what you did on your summer holidays. Don't be shy.

Several of our members will be heading off to the Escape to Rushmore and we look forward to hearing about their adventures.

We also have some great driving opportunities. The Las Vegas Region is hosting a DE weekend about which you have received both email notification and announcements in our newsletter. You have heard that the track is among the finest in the region, so take advantage of the opportunity if you can. Also, next month is SAR's Charity Autocross. Musselman Honda Circuit is sponsoring this event for which we are very appreciative.

We look forward to the stories and pictures from the driving and social events in coming weeks.

## What Is Art – What Is Not Art?

Article and Photo By Jim Kendler – Past President

*From the Editor: In a recent email about the August 1st Breakfast and Tucson Museum of Art tour, Jim shared these thoughts in an email:*

At the museum, "... I walked through a modern art exhibition. Most pieces I just walked by because they were not "art" in my opinion. Some pieces were just political statements. This piece caught my eye ... it was made of curly maple, ebony, and spruce. It was the nicest shipping crate I have ever set eyes on. I stopped because it reminded me of the 356 transmission sitting on its used shipping crate waiting for its overhaul.

The artist states he likes to sculpt common everyday objects so people will see them in a different light.

The artist achieved his goal ... because of the emotion and thoughts that went through my mind on what is art and what is not art. I am not sure it is a sculpture ... or even art ... but I bet the rebuilt transmission would look real nice strapped to this crate!"

## Art and Eggs

### By Angie Cuevas

*"The artist is a receptacle for emotions that come from all over the place: from the sky, from the earth, from a scrap of paper, from a passing shape, from a spider's web." Pablo Picasso*

What kind of a relationship can there be between art and eggs? On August 1, 28 members of PCA-SAR found out with a breakfast at Café a la C'Art followed by a tour of the Tucson Museum of Art.

Nestled on the grounds of the Tucson Museum of Art, Café a la C'Art is rated one of the best museum eateries in the nation. It has been entirely family-owned and operated for the past fifteen years. In true form, everyone sampled a bit of everything on the menu from simple egg and potato platters, to frittatas, to skilletts, to pancakes, to steel-cut oatmeal.

The long distance award for attendance went to Tom Brown (our Zone 8 Rep.) who flew in from San Diego and Jim and Ellen Ackerman, who got up extra early to drive from Sierra Vista for the event. It was good to see Larry and Beth Prince in their first Porsche outing in many moons. Pat and Debra Norris were also there, after being active in San Diego region for many years and now call Tucson home.

Barb Crowley sold 50/50 raffle tickets for the Holiday Baskets this year. Ed and Joyce Santiago won \$50. This is a good start for the generosity our club displays in making these holiday food baskets possible for so many needy families each year.

As breakfast concluded, SAR member Andy Anderson briefly spoke to the group about the history of the museum and offered advice about how to get the most of our visit. Andy's knowledge comes from being a Trustee Emeritus of the Tucson Museum of Art Board, Past President of the Museum twice (for a total of 5 years) and the architect for the Museum from its inception through its expansion. Andy shared several interesting points with us. Due to height restrictions, the museum could not build upward and instead, went downward, using ramps to guide you to the various collections. He also mentioned that the Museum is totally self-sustaining. It receives no funds from the city or Pima County and is still able to raise three million dollars each year.

Over half of the breakfast attendees toured the museum. It did not disappoint. Members enjoyed fine examples of pre-Columbian, Colonial, and Folk Art ranging from 1600 BCE to the present. Another historical collection was from the artists of the FAP

(Federal Art Project) which was sponsored by the Works Project Administration (WPA) created by President Franklin Delano Roosevelt in 1935. The Museum also works with the Owl & Panther Project (an organization working with refugee families and asylees) and provides space for these individuals to share their artwork and stories.

To celebrate Tucson's western heritage, the Museum has a permanent collection in the John K. Goodman Pavilion of Western Art. We viewed a special collection called "Horses of the West: Power, Freedom and Friendship." It was a beautiful tribute to an animal without which the West could not have been won.

For Lee and me, the collection called "Of Earth and Sand: Ceramics and Glass Works," was stunning. We were amazed at the various artists and their use of nature's materials to create beautiful objects and expressions of the world around us. Especially unique were the various displays in which artists used porcelain as their main medium. One display not only included sight – but also sound.

There is much more to our own Tucson Museum of Art than this article can possibly cover. Check out their website: [www.tucsonmuseumofart.org](http://www.tucsonmuseumofart.org). If you have never been, or it has been a while since you've seen it, do make the Museum and the delectables at Café a la C'Art a destination for your own Art and Eggs excursion. Be sure to take some fellow PCA-SAR members with you. You will enjoy it as much as we did.

**Charity Autocross –  
Sunday, October 18**  
By Jim Kendler - Past President

**Sponsored By**

For you track enthusiasts, SAR’s annual Charity Autocross will kick off the fall driving event schedule. Sunday, October 18 is the date. Musselman Honda Circuit is the place. All profits from this autocross will be used to provide Holiday Food Baskets for selected needy families of the Arizona Department of Developmental Disabilities – Child Family Services. Join us in this twenty-plus year charity tradition.

We’d like to thank Musselman Honda Circuit for being the official sponsor of this Charity Autocross. The fact that the track rental has been substantially decreased means that the autocross will generate more money that can be used to purchase more food baskets. Many thanks for your generosity.

About the track: The Musselman Circuit is the only track venue that PCA-SAR uses that is in the Tucson city area. It is located on the southeast side of Tucson at 11800 S. Harrison Rd. You will find it to be a very challenging and technical track.

In recent years, improvements have been made that have enhanced the autocross experience for our drivers. These improvements include a larger entry/exit gate, an increase in the track length and the addition of a huge skid pad. This track is also very spectator friendly ... so come on out ... even if you just want to watch your SAR friends race around the course.

This autocross will be “DE-Style.” DE-style means that we provide for passing so you never have to be delayed by a slower car. You will have the opportunity to experience acceleration, braking and cornering limits in a safe and controlled environment. Are you a novice to a track event? Don’t worry. We will provide you with a very knowledgeable and patient instructor. We even have helmets you can rent. Look for more information on our website at <http://pcasar.com>. Event registration will be through [motorsportreg.com](http://motorsportreg.com) This event promises to be lots of fun ... and you’ll go away knowing your participation will help a family enjoy the holidays! **See you at the track!**

## HOLIDAY FOOD BASKET DONATIONS

By Darlene Fouts – Charity Chair

For over 20 years, the PCA-Southern Arizona Region has provided funding for food baskets for families in need. Patsy Conklin will continue to work with the Arizona Division of Developmental Disabilities – Child Family Services to select families who will receive these food baskets. These selected families include children who have developmental disabilities such as Down Syndrome, Cerebral Palsy, and other complex medical needs. It is even more important now due to cuts in federal and state assistance programs. Our program was started by Dick Huhn, a former board member, and in his honor, the club is continuing this tradition.

Starting in September, we hope to have raffles for prizes or 50/50 raffles with the winner receiving 50% of the amount of sold tickets and remainder going towards the food baskets. (Congratulations to Joyce Santiago who won \$50 in the 50/50 at the Eggs and Art event last month!)

In October, we will be raising money through our Charity Autocross ... so we are hoping for a big turnout. We'd like to thank Musselman Honda Circuit for their generosity in sponsoring the autocross this year. Their discounted track rental means more baskets can be provided.

As we enjoy our many PCA activities throughout the year, we need to remember those less fortunate. Let's try to brighten the lives of these children and their families.

In addition to these fund raising activities, we will be asking for donations at our monthly SAR membership meetings and at the Holiday Party in December. Donations may be made at any PCA activity. Checks can also be mailed to PCA-SAR, P.O. Box 68413, Tucson, AZ 85737. Please make the checks payable to PCA-SAR and indicate that the check is a charity donation.

**Porsche Rennsport Reunion V** is the preeminent gathering of Porsche race cars and drivers, collector vehicles and historic Porsche models. Hosted by Porsche Cars North America, it will showcase the widest variety of Porsche's most historic racing models, from the nimble 550 Spyder of the mid-'50s through the mighty 917 and 956/962 of the '70s and '80s to the highly successful RS Spyder of the last decade. As the fifth Rennsport celebration since 2004, Porsche Rennsport Reunion is the event of the year for Porsche enthusiasts, as well as for racing and car collecting enthusiasts.

A special Porsche Concours will also be held that presents some of the globe's finest road-going Porsches in one location.

All net profits funds support local Tucson charities such as Reading Seed. The mission of this program is to help children in Pima County learn to read so they can read to learn. Their vision is that all students in Pima County will be reading at or above grade level by the end of third grade. Reading Seed trains and supports volunteer reading coaches to work with students in K-3rd grade who are reading below grade level. They also support a library of age appropriate books for students.

## Uber Oktoberfest

By Barb Crowley – Social Chair

*Fall has come and Oktoberfest is here.*

*It's time to celebrate with brats and beer!*

Oktoberfest is a centuries-old celebration. The Southern Arizona Region is having its annual Oktoberfest party on Saturday, October 10. We thank our Festmasters Herr Peter and Frau Frances Stach for hosting it again this year. They are opening their lovely westside home (haus) for the festivities. Join your fellow freunds for a merry time of eating, socializing, drinking, socializing, eating and drinking, and strudel and more socializing. It's what SAR does best!

Maybe Lee will give us a thrill by wearing his lederhosen again? Maybe we'll have a sing-a-long of "Roll Out the Barrel?" Or maybe there will be a "Polka Dancing Under the Stars" contest? For sure we'll enjoy the beautiful sunset and maybe even a spectacular moonrise like we did last year! Don't miss out on this popular fall event. Join us for Oktoberfest. (We've already heard that our Zone 8 Rep, Tom Brown, will be coming from California to join in on the fun.)

Lee and Angie got into the spirit of Oktoberfest at last year's event.  
Photo by Barb Crowley

Check our website for detailed directions to the Stach haus. Our hosts ask that you bring an appetizer, salad/side dish, or dessert to accompany the brats and sauerkraut they will provide. The klub will provide wine, soft drinks and beer. Speaking of beer ... rather than having a beer tasting contest this

year, we'll be having our coolers filled with some the German beers that won top honors in the past few contests!

Das Helpers: Larry Rogovein and Bob Strickler have already volunteered to be our "grill meisters." We need some other volunteers to be on our set up and clean-up crew. Step up when asked or contact me at [social@pcasar.com](mailto:social@pcasar.com) if you'd be willing to help.

Sign up when you get your Evite. We suggest that if the Porsche you drive is black, yellow, tan/brown or white/cream in color, please bring appetizers. Please bring salads, casseroles or side dishes if you own red, burgundy, or silver/grey cars. Have a blue or green-hued Porsche? Please bring a dessert. If you have an infamous recipe you want to bring, (we're talking to you, Kirk) that's OK too. Be sure that you write what dish you will be bringing in the comments section of the Evite. Also be sure that if two of you are attending, put "2 guests" on the RSVP.

### Das details for an uber good time are:

**When:** Saturday, October 10

# Fageol's Twin-Engined Porsches

Lou Fageol's radical eight-cylinder machines

Story and Photos by Karl Ludvigsen

Excerpted from *Excellence Magazine* April 16, 2015

## The Fageol-Porsche

Built by Fageol's craftsmen in 1953, the Fageol-Porsche Twin Engine Competition Sports Car was a completely new machine powered by two Porsche 1500 Super engines, giving a total of 144 hp at 5,500 rpm. A special tubular frame, short 90-inch wheelbase and bodywork in Duralumin alloy helped keep its weight low at just 1,650 pounds.

The Fageol-Porsche's body was as outré as anything ever built on four wheels, especially for racing. Its nose flaunted a bold central cone and prominent fender peaks that initially had air inlets around their headlamps. These were later covered, with air entering around a central chromed sphere. Although at first conventional, the rear fenders were later cut away behind the wheels to give a free flow of air rearward. As simple as they could be, the doors were hinged at the bottom to flop downwards. A low windscreen and tidy coupe top, hinged at the rear to lift up for easy access, completed a flamboyant low-drag ensemble.

**INSURANCE MYTH**

**ALL COVERAGE IS THE SAME**

**FACT** Actually, the policy that's perfect for your everyday car just doesn't cut it when it comes to your classic. Hagerty's policy is designed specifically for classics, with features like Guaranteed Value, expert claims handling and a parts finder whose only job is tracking down hard-to-find parts, all at premiums up to 46%\* lower than everyday insurance.

## **Drive Your 356 Day**

**By Bob Strickler – SAR Board Member**

It is always nice to see a string of our beautiful cars winding down the road. So in this spirit, I am hoping to pry several 356s out of their garages to see if we can have a little fun.

This year's "Drive Your 356 Day" is set for Sunday, September 20. Drive Your 356 Day is an international event with owners of 356s world-wide driving their 356s to honor Ferry Porsche's September 19, 1909 birthday. In addition to having fun driving 356s, we will attempt to get a picture of our local 356s in the DY356D issue of the *356 Registry Magazine*, which publishes pictures of the day from all over the world. A picture taken by Garry Morris at our event last year event made it into the magazine!

What we learned last year, was that after a leisurely brunch followed by the drive ... that it can get hot in our non-AC cars. So the plan this year is to meet early, drive, have breakfast, get home. (oh ... and not to spend too much time on the photos.)

Note: I will be out of town but was able to arm-twist Dennis Crowley to lead the group and Barb into planning the event. Contact Barb by Sept. 16 at [social@pcasar.com](mailto:social@pcasar.com) if you plan to attend.

Here's the details:

7:45 a.m. 356s to meet at the Ramada Inn on Tanque Verde and depart at 8 a.m.

Drive to the Tanque Verde Guest Ranch @ 14301 E. Speedway (fun, short drive)

8:30-9:15 a.m. Photo shoot in front of the corral and the main ranch house (Wear cowboy hats please!)

9:15-10:15 a.m. Breakfast (\$12 pp + tip & tax) Home by 11 a.m. for a nice nap!

*Thanks, and happy trails!*
