## Editor's Message

By Axel K. Olsen

### Total WOW Factor!

We've given our website a MAJOR facelift! We're pleased to reveal our new look, with a sleeker design and easier-to-find features. Go to <http://pcasar.com> and check it out.

Our new site more effectively highlights what's most important to us and to our Porsche community.

Take our events, for example. Previously tucked away in a couple of different Photo Scrapbooks, they're now all together under our "Photo Gallery" option with a robust archive of events over the last decade.

Our calendar is your go-to resource for information on our upcoming driver and social events, tours, meetings and anything else we have going on that you need to know about. Look at our simplified navigation across the top of the web page and simply pick a topic ... and you're off!

We will now also be highlighting our advertisers on our home page and in our footer so they have greater visibility. In addition, we have added the websites of other Zone 8 Regions and have a link to our SAR Facebook page. You also will be able to access Porsche's Twitter, YouTube and Instagram pages through our website, so check them out!

**March Membership Meeting  
Tuesday, March 1, 2016**

***El Molinita Restaurant  
10180 N Oracle Rd.  
Oro Valley, AZ***

We had a great turnout for the meeting on March 1st. The service was superb and the socializing was fun.

Larry Rogovein entertained us with a special President's Quiz based on the statues of the Presidents in Rapid City South Dakota.

Darlene Fouts won the day. She correctly identified 23 out of the 41 presidents.

**Adopt-A-Roadway on March 19  
By Mark Fuller – Community Service Chair**

What: Orange Grove Road Clean-up: An SAR Community Service Event

When: 8:00 a.m.

Where: Meet at Beyond Bread at Southeast corner of Ina and Oracle for coffee and pastries ... compliments of the club.

Attire: Please wear hard-soled closed-toe shoes (no sandals) and comfortable clothing. Gloves and hats are recommended. Please use sunscreen.

Note: Cold water, safety vests and bags for the cleanup will be provided. This semi-annual beautification project is not very labor intensive and will only take about two hours of your time. It is a perfect way to get outside on a cool spring morning and enjoy the camaraderie with your SAR friends and our special cars.

**INSURANCE  
MYTH**  
**ALL COVERAGE IS THE SAME**

 We may sell insurance, but we live classics.

**FACT** Actually, the policy that's perfect for your everyday car just doesn't cut it when it comes to your classic. Hagerty's policy is designed specifically for classics, with features like Guaranteed Value, expert claims handling and a parts finder whose only job is tracking down hard-to-find parts, all at premiums up to 46%\* lower than everyday insurance.

## Drive and Hike on April 2 to Parker Canyon Lake

Kurt Fuerstenau is our leader. He has asked that we meet at the intersection of Sahuarita road and state-highway 83 at 9:00 a.m. to sign waivers and have our drivers' meeting. Departure will be at 9:15. There will be a stop and bathroom break after about 30 minutes.

In 1966, the Arizona Game and Fish Department completed the earthen dam at the confluence of Parker Canyon, Collins Canyon, and Merritt Canyon in the beautiful rolling Canelo Hills southeast of Sonoita and six miles north of the Mexico border. The result is the largest lake in the Coronado National Forest.
