4. Enter a name for your photo book:

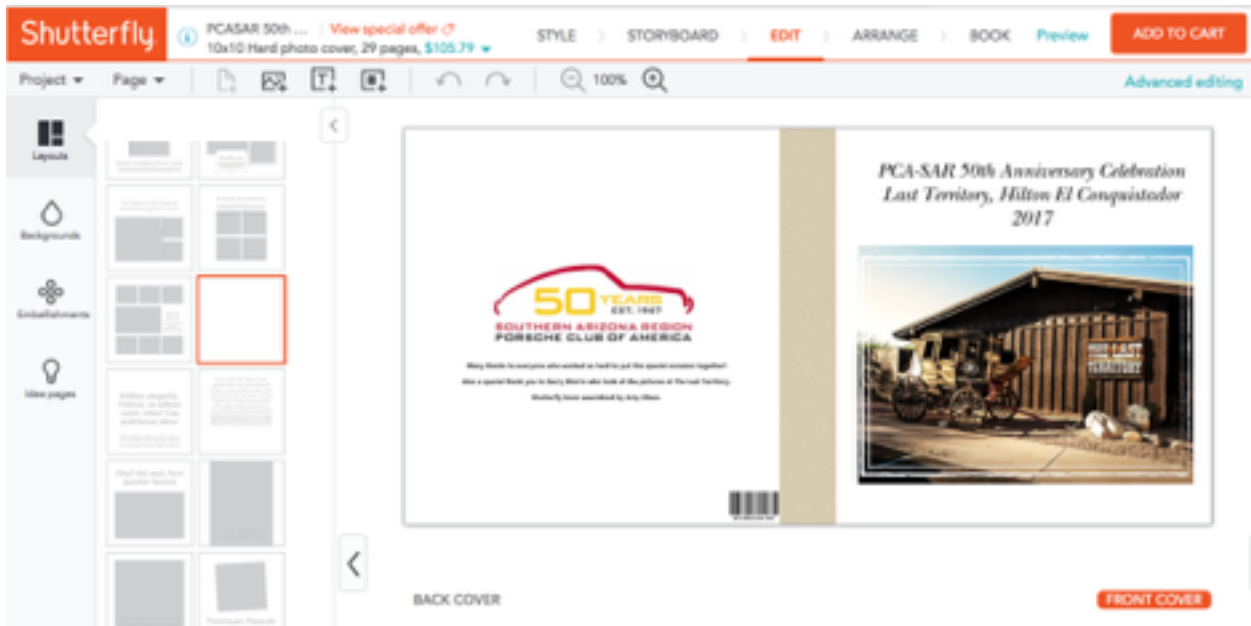

A screenshot of a "Save photo book" dialog box. It asks "What would you like to name your photo book?" and has a text input field containing "PCASAR 50th Anniversary Photo Book". Below the input field, it says "You can find this photo book under My Projects on the My Shutterfly page." At the bottom right, there are two buttons: "Save" (orange) and "Don't save" (blue).

5. You will get a message indicating that your save is complete:

A screenshot of a "Save complete" message dialog box. It says "Your photo book has been saved successfully!" and "You can now [edit your saved photo book](#) or click 'OK' to return to your shared photo book." At the bottom right, there is an "OK" button.

6. Click on “Edit your saved photo book”.

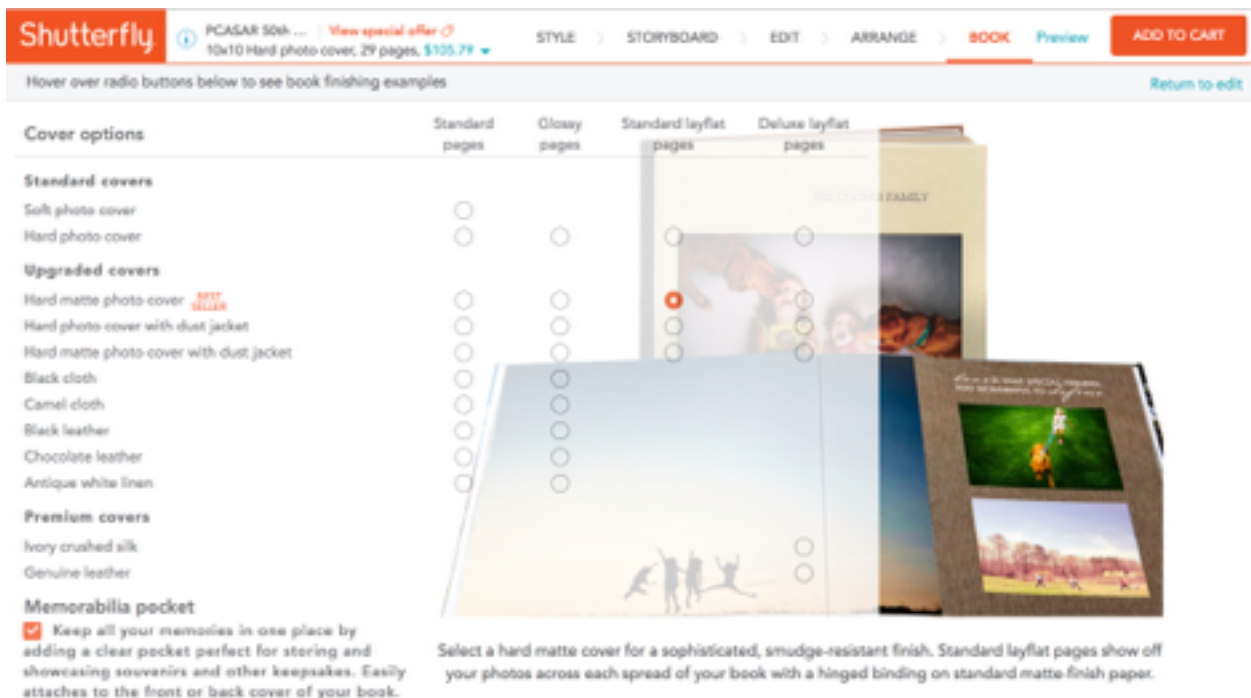

7. You will see a page like this:

8. Click on “Book” at the top right portion of the page:

9. You will get the following page:

10. Now you can choose the options for your book. Notice as you click different options, the price at the top of the page changes. In this example, I changed the hard matte photo cover to “standard pages” and I unchecked the Memorabilia Pocket and the price changed from the original \$105.79 to \$78.80.
