President's Corner

By Lee Cuevas

I just returned from the Autocross at Musselman and, whew, it was quite warm. The drivers had a great time except for Greg Curtiss, who blew a radiator hose after his first couple of laps. It took an hour to clean up and then the DE resumed. And so, Cinco week has started!

Tom Szudajski deserves a round of applause for leading the Cinco team through the gauntlet of getting things done these past four months. As Cinco Chairman he made sure all the details of the many tasks that needed to be accomplished were actually done. Thank you, Tom. In addition, Jim Kendler handled the Autocross,

Greg Curtiss and Norma Nada organized the Golf Tournament, Darlene Fouts took care of the Charity Silent Auction and donations, Kathleen Vitelli stepped in to do Banquet coordination, Pat Norris put together the Rally, and Peter Beahan was in charge of the Concours. Other members of the team have spent a lot of time and effort making it all work.

After Cinco we have a Driver's Education event on the 19th of May. Las Vegas Region is sponsoring a tour around Flagstaff on the weekend of June 7th-9th. Go get more information on our web site www.pcasar.com. See you at Cinco.

Editor's Column

By Debi Norris

Our rainy winter certainly brought out the flowers this year! Between the wildflowers, the cactus flowers and the Palo Verde trees my allergies have been going crazy this spring. But, I love every minute of it! My eyes soak in the beauty while my nose runs wild...

Speaking of beauty, be sure to check out the article about the SAR trip to Ajo and the Organ Pipe National Monument. I am very disappointed we missed that trip because it sounds like it was a great time. Pat and I will have to take a trip out there next spring. As a teacher, I was fascinated to find out the Inn the club stayed in was a converted elementary school. Hmm, I love my job but I'm pretty sure I wouldn't want to spend the night there!

Hopefully, as you are reading this, the Cinco events are in full swing. This is our club's big event and I hope you were able to enjoy one, or all, of the activities. The Cinco committee worked extremely hard putting this event together. If you happen to see any of those hard-working people, be sure to thank them for their efforts!

As we head in to the dreaded summer heat, there's still lots of fun to be had with our cars. Well, at least the ones that have air conditioning!

Escape to Ajo

By Debi Norris and Kathleen Kendler - Photos by Jim Kendler and Richard Kepner

In March, 17 cars carrying approximately 32 members of SAR headed out west for a fun weekend excursion to Ajo and the Organ Pipe National Monument. The drive out was beautiful with thousands of wildflowers in bloom including poppies, pestemmon and lupine (blue bonnets.)

The group stayed at the Sonoran Desert Inn and Conference Center, a converted elementary school building in the heart of Ajo. The owners were very accommodating and enjoyed our visit so much they took a picture of Mary Jane's car in the Courtyard and had it up on their website! The Inn provided all our delicious meals.

On Saturday, it was off to the Organ Pipe National Monument. Some of us took a hike from the Welcome Center while others took a scenic drive, especially the Cayennes. They are built for desert roads!

After a fun day, we all gathered around the fire pit on the courtyard to enjoy Happy Hour. We enjoyed it so much the party continued after dinner.

On Sunday, some of us visited Artist Alley where there were lots of cool murals. Too soon, it was time to get on the road and head back to Tucson. Thank you to Andrea and Kurt Feurstenau for doing a wonderful job organizing this weekend and guiding us.
