President's Corner

By Pat Norris

By the time you read this column, registration will be open for the 2020 Porsche Parade in Palm Springs! This year, the Parade is “local” in that it is in Zone 8. From the Tech Sessions to Hospitality to the major Competitive Events, there are more fun Porsche things to do than time. If you haven’t been to a Parade, find someone who has and be prepared for some very fun stories. And this year, Parade is a reasonably short drive so you can have your Porsche there, too!

As registration for the Parade, and so many other events, are now only online, a lot of the announcements and communications about the events are sent through email. Even events within the Southern Arizona Region are announced and reminders are sent, through email. I encourage everyone to check that your email address is updated with National PCA, our local Membership Chair, and in MotorsportReg.com. Each site is a source of communication about events and you don’t want to miss any information. There are many great events that I hope to see everyone attending!

If you have any questions about Parade, or upcoming events, feel free to catch me at a meeting or email me at president@pcasar.com. See you at the next event!

Editor's Column

By Debi Norris

Happy Valentine's Day! Although I probably won't get a new Porsche for a Valentine's Day present, maybe I will get a chocolate one!

Besides Monsoon season, this is always one of my favorite times of year in Tucson. We get a few cold snaps, but for the most part our winter days are filled with sunshine and comfortable weather. That definitely was the case for the Tubac car show this year! Previous years saw pouring rain and last year there was a delay due to the golf course being frozen, but this year was beautiful. It was a great day with some amazing cars. Check out the article and pictures on page 7.

The Driver's Education Event at Arroyo Seco is coming up quickly. Jim and Kathleen Kendler always put on an excellent event and this one is sure to live up to expectations. Registration closes on the 22nd so don't miss out.

I'm not sure if Pat will have the 911 ready in time for Arroyo Seco. It is currently in pieces in our shop. He is chronicling his adventure of getting the 911 up and running in a semi-regular column on page 12. This 1972 Porsche raced at Daytona but has sat in storage for years. Follow along with Pat as he figures out how to get back in to racing condition.

And don't forget Cinco is coming up sooner than usual, in April! Mark your calendars so you don't miss it.

Have a great month and hope to see you at the next event!

The Santa Cruz Valley Car Nuts Collector Car Show

Tubac, Arizona

By Lee Cuevas - Photos by Lee Cuevas and Pat Norris

Twenty-one Porsches made their way down to Tubac on January 25th. The weather was fantastic with clear skies and comfortable temperatures. Of course, there was much discussion on the subject of each car's history. We generated so much interest we even had two people sign up to join the club! Unfortunately, there was a cloud over the show with the absence of the Crowleys due to Barb making a trip to the hospital, but the sun shown again when we learned that she was released back home. Congratulations to the following winners:

PORSCHE Class winners:

1st Place: **Steve Proctor** 1958 red Speedster

2nd Place: **Cliff Berryman** (AZ Region) 2018 GT3

SPORTSCAR CLASS:

1st Place: **Richard Kepner** red 1971 Maserati

Drive and Hike – February 15

By Kurt Fuerstenau

PCA-SAR's first Drive & Hike Event for 2020 is Saturday Feb. 15th at 9:00 am, leaving at 9:30. The drive is about an hour, arriving at the former Canoa Hills Golf Course which is Pima County's new park. The walk is on paved trails on rolling terrain with almost no elevation gain, but a few hills up and down. After the walk we will drive to lunch. Please bring good shoes, water, and snacks. **The start and sign-in is at the Starbucks located at 1209 W. Irvington, Tucson, AZ. 85714.**

The hike address is 1401 W Calle Urbano, Green Valley AZ 85622.

Park link: <https://webcms.pima.gov/cms/One.aspx?portalId=169&pageId=518494>

The lunch stop is El Rodeo, 99 W. Esperanza, Green Valley AZ 85614.

Restaurant Link: <https://www.facebook.com/El-Rodeo-Mexican-Food-415849178544043/>

Logo Gear Garage

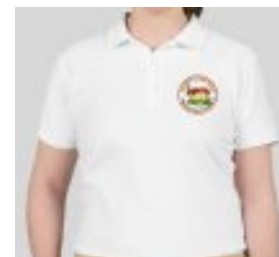

Start the New Year right with a Polo Shirt embroidered with the updated SAR Logo.

We are featuring a White Polo Shirt. They are a medium weight 60% cotton & 40% polyester blend for a soft, wrinkle-free fit. The shirts are available in Men's and Women's sizes of S, M, and L for \$30 or sizes XL, 2XL, and 3XL (Men only) for \$35.

Shirts can be ordered at all Monthly Member Meetings for delivery at the next Monthly Member Meeting. Please bring cash or a check made out to PCA-SAR.

We are also thinking about offering stickers for inside and outside window application as well as embroidered patches that you can sew onto the garment of your choice. Let me know if you are interested in either stickers or patches by sending an email using the "Logo Gear Garage Manager" link on the "About Us" page of our website at pcasar.com.

Save the Dates!

**Due to conflicts with our usual dates, our annual
Cinco de Mayo event is early this year!**

April 16th - Golf Event

April 17th – Welcome Party

April 18th – Concours and Banquet

**New Location for the Concours at the
Omni Tucson National Golf Resort and Spa**

New Trophies!

**Mark your calendars and be sure to join us
at our Premier Event of the year.**

Project Corner

Article and photos by Pat Norris

In the last Project Corner, I had introduced my project car, and had gotten the 911 in the air and mobile on a chassis dolly. I have received many positive comments and look forward to sharing as the work progresses. Now the disassembly can get started.

Doors Open

One of the hardest issues to resolve was opening the passenger side door. The fire system needed attention. The windshield washer system, complete with triple pumps, needed attention. Gaining access to the covers for the torque tube, oil tank, and oil lines would all be easier from the passenger side. And generally, it's easier to get inside to clean with both doors open.

Sorting out that latch looked straight forward enough. There was a good chance that the lock mechanism had simply engaged and could be corrected easily. After removing the aluminum door panel (with the door still closed, and around the cage) I had direct access to the latch.

As much as I tried to figure out the stuck latch, the one side would not budge. Finally, with the help of an air chisel, I was able to shake and pound on the latch long enough that the door popped open! With both doors now open, I could assess the rest of the interior work needed - and figure out a way to close the doors that will allow them to be opened whenever I wanted.

Motor Out

Even with the car in the air and the fenders and bumper off, the motor wasn't going to be easy to clean up from the packrats. Mixed in with the mesquite beans and oil from the oil leaks, bits of cholla were everywhere - complete with the pointy parts! Along with the treasures left over from the packrat invasion, the oil leak from the main seal still required removing the motor.

As the 911 doesn't have any of the extra creature comforts, there were fewer parts to remove in preparation, but the AWD system from the Carrera 4 put a twist into removing the motor. While I have a lot of experience removing a motor/transmission assembly from my time owning a 914, after a good amount of searching, I found out the Carrera 4 motor can be removed while leaving the transmission in the car. 356 and VW owners will be familiar with removing just the motor, and lucky for me, I also have just such experience!

With the car up on the dolly, the knowledge that the motor alone could be removed, and a good number of tools, I was ready to remove the motor. There are many on line resources to help with the step-by-step process of removing the motor. Once I got started, and stepped through the process, I had the motor out from under the 911 in a reasonably short amount of time - without even crawling under the car!

More to Come / Share Your Projects!

Now that I have the doors open, the interior accessible, and the motor out and ready for clean up, I can assess where everything stands. Next, I will start to tear down the motor and find out what needs to be fixed and begin to see how big this job really is.

Again, I invite everyone to send in your projects, too! Let's hear the stories about your project cars, tips you've learned along the way, or hints on how to do things that seem impossible until you've done them the first time. Include photos when you can - and let's see what everyone is working on out there! Maybe someone will have a tip to share that will keep another project moving forward.

Breakfast Social Saturday, February 22nd

(Notice 3rd Saturday this month)

8:00 AM

Blue Willow Restaurant
2616 N. Campbell Ave

Come on out and join your Porsche friends for a delicious breakfast and excellent conversation!

Willkommen, Bonjour, Glad to Meet You By Kathleen Kendler – Membership Chair

To quote PCA e-Brake News "*The Porsche Club of America exceeded 137,000 members at the end of 2019. PCA remains the largest single marque car club in the world.*"

As of January 20th, SAR has 139 member families. That is slightly down from last month. Let's get the word out: IT'S NOT TOO LATE TO RENEW!

We didn't publish new members in the January printed version. I'd like to welcome the following members who joined prior to the end of 2019:

Michael and Soyonna Delwiche. - Michael and Soyonna transferred from the Las Vegas region.

Richard and Anna Nedlin. - Richard and Anna Nedlin are new to PCA.

There are two new members this month:

Elliot Framan and Andrea Davis - Elliot and Andrea are new to PCA.

Scott Slatkovski and Linda MacGregor - Scott and Linda are new to PCA. He was at the last member meeting but I missed introducing him. We chatted briefly after the meeting.

We'd like to welcome **Ches and Gwen Porter** back to Tucson. Jim enjoyed chatting with you at the January Breakfast Meeting.

We hope to see everyone at future events. We hope you enjoy your Porsche as much as we do. Welcome!

I want to THANK all of you for renewing your club memberships. For those who haven't renewed, it's not too late ... but I have removed you from the mailing lists and Evites. Yes, you haven't received this from our distribution list, but may have been sent a copy by a friend. I will re-enter you to the lists upon renewal.

Renewals can be done by copying and pasting the following link into your web browser: www.motorsportreg.com/events/pca-sar-annual-membership-2020-st-philips-plaza-southern-arizona-042796

[If that does not work, please copy (highlight the link, press 'Ctrl and c' at the same time, go to your browser's address line (URL), Press 'Ctrl V' (the address will be copied to the URL space), press 'Enter.'] You should be taken to the registration page.

You will need to have an account on that site. If you should have any problems registering, please let me know and I can walk you through the registration process.

Please keep your information up to date in motorsportreg.com by the 1st of each month or e-mail me at: membership@pcasar.com

Hoping to see you at an event in the near future. The Holiday Party was a wonderful event. Jim and I had a marvelous time socializing with you. I thank all the volunteers for making this event a wonderful experience for all the attendees.

Cinco 2020 Golf Event – Thursday, April 16, 2020

By Norma Nada

Due to National Porsche Club event conflicts, this year's Cinco events will be held in mid-April – shortly after “tax day.” Therefore, Porsche Club golfers, put down the pencils and pick up the sticks and come join your fellow club golfers in a relaxing and fun modified scramble. Mark this date on your calendar: Thursday, April 16, 2020. Like in past years, this year's Cinco golf tournament will once again be held on Thursday not Friday. This should help those attending the Welcome Party on Friday evening -- no need to rush home to clean up before the party. This year's tournament will be held once again at the Omni Tucson National Golf Resort and Spa, in northwest Tucson. We will be playing the Catalina course – the course the pros play. This course has been host to the PGA tour from 1965 to 2006 and since 2015 continues to host the PGA Champions Tour Cologuard Classic. The Catalina course is considered a traditional-style layout with gentle contours and tree-lined fairways with spectacular views. This course is said to be a fair test of golf to players of all caliber with a challenging finishing 18th hole.

As in the past couple of years, we're doing an optional member-guest, thus inviting friends to join us in this fun day of golf. If you're bringing a guest (or two), register your guest(s) on motorsportreg.com when you register yourself for this great fun-filled event. We will be playing a modified scramble. After the round, join your fellow Porsche golfers and guests at Omni's Legends Bar and Grill for drinks, lunch, snacks, etc. as well as prizes. Everyone will get to play the entire course, so bring that “A” game and come have some fun. Register on motorsportreg.com. Cost for the round will once again be \$65 per person which includes green fees, cart and range balls. This year, it will be a shotgun start at 8:30 am. Your starting hole will be advised on the day of play. Please provide your handicap (and your guest's handicap) so that we can group the teams accordingly.

Any questions, please contact Greg Curtiss or Norma Nada at 520-797-7612 or email Norma at sloporsche@aol.com. Keep it in the short grass.
